

NEW, LIMITED EDITION

CRV/Piranha Book

This brand new book documents the history of the Marbon Chemicals CRV, the AMT Piranha, and other Cicolac cars built by Centaur Engineering. Written by car enthusiast Nicholas K. Whitlow, this hardbound publication is 8-3/4" x 11-1/4" and contains 100 pages printed on heavy, glossy paper, with over 135 black & white and color photos, many of which have never been published. Over 15 years of research went into this book, which is printed and bound in the USA. Each book is numbered and signed by the author. Order via email to Nkw1965@aol.com or mail in the form below. Paypal, check or USPS money orders are accepted.

The ALL-PLASTIC CAR - \$39.00 each plus \$4.00 shipping in USA via Media Mail.
