

# New Book for 2017

## ***The REACTOR***

Gene Winfield's Futuristic Custom Creation

*By Nicholas K. Whitlow*

This brand new publication documents the history of one of the most iconic custom cars ever built. Gene Winfield's Reactor has appeared in many car magazines and on various TV shows and commercials since its debut in 1965.

Read how this futuristic vehicle was conceived, constructed, displayed, filmed, bought & sold, lost for nine years, found, and restored to its original beauty by its original owner, Gene Winfield.

This book is 11-1/4" x 8-3/4" in size, has 106 pages of heavy gloss paper, and is hardbound and printed in the USA. It contains over 125 black & white and color photographs, many which are full page size.

This book is available only from Gene Winfield and the author, Nicholas K. Whitlow. The price is only \$39.00 plus \$4.00 shipping in the USA. Contact [Nkw1965@aol.com](mailto:Nkw1965@aol.com) to order your copy signed by the author today. Paypal or checks are accepted.
